

Water Augmentation Project Planning Process – Status Report on meetings between MRWPCA, MCWD, and FORA

Presentation to FORA Board
September 11, 2015

*Steve Endsley,
Assistant Executive Officer*

- a) MRWPCA's **Pure Water Monterey project** increases regional water resources, distinct from Fort Ord Augmentation
- b) **Fort Ord Water Augmentation Program** is based on the Regional Urban Water Augmentation Project (RUWAP) – MCWD project. Recycled Water component requires negotiation between MCWD, MRWPCA, and FORA.
- c) Executive Officer & Assistant Executive Officer have participated in **negotiations** with MCWD and MRWPCA for the past four months.

**MRWPCA General Manager Paul Sciuto and
MCWD General Manager Keith Van Der Maaten**
will provide a status report on recent
negotiations.
