FORA OPENS GENERAL JIM MOORE BOULEVARD INTERSECTIONS

On Monday, April 2, 2012, the following intersections will be signalized, operational, and open to traffic within the City of Seaside:

General Jim Moore Boulevard @ Hilby Avenue
General Jim Moore Boulevard @ San Pablo Avenue
General Jim Moore Boulevard @ Broadway Avenue (Obama Way)

The signal lights will take the place of the temporary stop signs at these intersections. The speed limit on General Jim Moore Boulevard south of Coe Avenue will be enforced at **45 MPH**.

Those travelling this corridor are asked to be aware that signal lights will be fully operational and intersections will be open to traffic beginning Monday, April 2, 2012.
