For Immediate Release: November 13, 2014

Fort Ord Preston Park Dispute Settled

Fort Ord Reuse Authority (FORA) and the City of Marina have agreed in principle to a resolution of the pending litigation involving Preston Park. The settlement is a positive step for both parties in that it will allow both FORA and the City of Marina to complete their legislatively mandated Fort Ord missions while resolving a legal dispute. The City of Marina and FORA look forward to a future of cooperation for the mutual benefit of the Monterey Peninsula communities.
