## **RE: Addenda 2 – On-Call-Services**

The following changes have been made to the Request For Proposal (RFP):

1. Page limitations on options and addenda have been removed.
2. The use of Attachment C for Task Options is not required.
3. For the Task Options you may either use Attachment C or the following:
  - a. Provide a fee schedule that includes each position classification required to provide the services described in the scope of work, and all reimbursable fees and expenses. The fee schedule shall be accompanied by an itemized cost summary per task and includes subtotals of hours and charges attributable to each deliverable, as well as a project grand total on a not-to exceed time and materials basis. Please break out the fringe costs, Overhead, G&A Costs and Fee.

The RFP schedule will remain the same.
