RE: Notice of Cancellation of Request for Proposal RFP1-WA02

The Fort Ord Reuse Authority (FORA) will be canceling the RFP1-WAO2 solicitation for Professional Services. The cancellation is submitted because it has been determined that the Request For Proposals (RFP), as drafted, requires clarifications/revisions on topics related to local preference and required meetings. It is in the best interest of the Fort Ord Reuse Authority to cancel the RFP and develop an RFP conducive to meeting FORA's goals and objectives.

It is the intent of Fort Ord Reuse Authority to re-issue an updated RFP at the earliest possible date.
