Houlemard, Jr., Executive Officer of the Fort Ord Reuse Authority (FORA), hereby certify that the infrastructure investment funded under the Economic Development Administration's Public Works Program has received full review and vetting required by law and I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars.

The investment will fund the improvement of General Jim Moore Boulevard within the Cities of Seaside and Del Rey Oaks from the intersection of Coe Avenue to north of South Boundary Road and the improvement of Eucalyptus Road in the City of Seaside from the intersection of General Jim Moore Boulevard to west of the Monterey County border.
