

# Water Augmentation Three-Party Planning Study Solicitation

Presentation to FORA Board  
January 13, 2017

*Peter Said, Project Manager*

**1990's**

US ARMY buys Potable Water from Monterey County Water Resource Agency (MCWRA)

- 6,600 AFY pumping rights until new water supply provided
- Transferred to FORA

**1991-  
1994**

Base Reuse Plan (BRP) Implementation Plan (PFIP) identifies the need for additional ~2,400 AFY Water Augmentation

- Golf Courses
- City Greenways & Parks
- Schools

**1998-  
2002**

FORA assigns water services to MCWD through a 'Facilities Agreement' & other contracts through a Public Bid Process

2005

June 2005: FORA & MCWD approve Hybrid Recycled & Desalinization Regional Urban Water Augmentation Project (RUWAP) providing 2,400 AFY

2007

May 2007: FORA allocates 1,427 AFY of recycled water to the Jurisdictions

2015

October 2015: FORA endorses a joint water supply planning process among FORA, MRWPCA, and MCWD for the remaining 973 AFY

## Regional Urban Water Augmentation Project (RUWAP) 2,400 AFY

### Recycled

- **Pipeline Reimbursement**

- Board Approved Sep 2016

### Secondary

- **Three-Party MOU**

- Board Approved May 2016

## Recycled Component Status – 1427 AFY

- MCWD updating engineering
- MCWD securing easements
- MCWD obtaining commitments to receive and pay for recycled water
- Ultimately make Pure Water available to all

## Secondary Component

973 AFY

- Technical Advisory Group (TAG) established
- Public Works/Engineering staff from each Jurisdiction
- Coordinated to define Study Scope
- (Conservation? Recycled? Other?)

## Scope of Study:

- Research Regulations/Obligations/Constraints
- Identify “Augmentation” Alternatives
- Feasibility and Economic Analysis
- Comparative Analysis
- Present Alternatives to FORA Board for Selection

Bring forward an RFP Coordinated with the TAG

**Recommendation:**

Authorize Fort Ord Reuse Authority (FORA) Executive Officer to solicit, negotiate, and select a professional services contract for a Fort Ord Water Augmentation Planning Alternatives Study, not to exceed \$157,000.

Bring back contract for Board consideration
