Hi Jane, Frank, Ian and the entire FORA Board of Directors,

I'm John Brownlow, your organization's Senior Account Executive and direct contact with Yardi Systems.

We are at the 2019 Base Redevelopment Forum today and have a table set up for those considering a property management unified automated solution.

Stop by and see us if you get a chance.

We specialize in best real estate practices and administration tools such as Yardi Voyager for Redevelopment Authorities:

As you may know, we are an award winning global technology company focused on Port Authorities real estate management(Voyager)unified services and solutions:

property management, leasing, tenant portals, construction, maintenance, projects, fixed assets, inventory, financial reporting, P2P, investment management, market data, ancillary services, with products and services to serve any size organization, in any real estate market.

We help you save time by automating all your real estate processes,

allowing you to run departments more efficiently with automated real estate, financial, accounting and management tools.

Save staff time with a single unified connected system that eliminates multiple databases and houses all information in one system.

Our focus is our clients, and always has been.

Clients choose Yardi for the quality of our products, the people behind those products, and the stability of a seasoned company.

They stay with us because we continue to evolve and develop products to keep up with their needs and the ever-changing technology landscape.

When you and your team are ready, we can set up a discover call to discuss your interests and requirements going forward.

Thanks and we look forward to hearing from you again!

- John
